Community Connections

Hello,

The Springbrook Self-Direction team would like to inform everyone that, **effective August 16, 2026, our mileage rate will increase to \$0.76/mile.** This applies to both IDGS Transportation and OTPS Personal Use Transportation reimbursements. No action is required from you; these rates have been updated in Annkissam accordingly.

Should you have any questions, please contact your SDS Coordinator or e-mail us at selfdirection@springbrookny.org.

Thank you!
